RESIDENCE FOR TUITION INFORMATION

Policy Governing Residence

The determination of residence for tuition purposes at the University of California is governed by the UC Residence Policy and Guidelines. Under the UC Residency Policy, adult citizens and certain classes of aliens can establish residence for tuition purposes. There are particular rules that apply to the residence classification of minors and that establish exemptions. The UC Residence Policy establishes the Residence Determination Date for each term as the day instruction begins at the last of the University of California campuses to open for the quarter, and for schools on the semester system, the day instruction begins for the semester. All of the UC requirements for residency must be met prior to the Residence Determination Date for classification as a resident. Documentary evidence may be required and all relevant indications will be considered in determining residence classifications.

You are cautioned that this summary is not a complete explanation of the regulations regarding residence. Please note that changes may be made in the residence requirements between the publication of this statement and the relevant residence determination date.

Office of the General Counsel

Requirements for Resident Classification, Rules Applying to Minors and Exemptions from Nonresident Supplemental Tuition can be found published as the “UC Residency Policy and Guidelines” available at Office of the General Counsel website under Educational Affairs and Campus Services.

Read the full text of UC Residency Policy-Residency Guidelines for Purposes of Tuition and Fees at http://www.ucop.edu/general-counsel.

Nonresident Supplemental Tuition Fee for Nonresident Students

If you have not met all of the UC requirements for residency prior to the Residence Determination Date each term in which you propose to attend the University, you must pay Nonresident Supplemental Tuition in addition to all other fees.

Resident Determination Process

California residence for tuition purposes is determined for each student under the UC Residence Policy and Guidelines based on information provided to a campus Residence Deputy on the Statement of Legal Residence. Additional information and documentation in support of your claim of resident status for tuition purposes may be requested as needed. Applicants and students are responsible for submitting ALL RELEVANT DOCUMENTATION AND INFORMATION to the campus Residence Deputy in support of their in-state residency request. Information or documents requested but not made available to the Residence Deputy will NOT be considered or reviewed on appeal.

Incorrect Classification

If you were incorrectly classified as a resident, you are subject to reclassification and to payment of all Nonresident Supplemental Tuition not paid. If you concealed information or furnished false information and were classified incorrectly as a result, you are also subject to University discipline. Resident students who become nonresidents must immediately notify the campus Residence Deputy.

Appeals

Any student, following a final decision on their residence classification by the Residence Deputy may apply for an appeal with the Office of the General Counsel within 30 days of notification of the Residence Deputy's final decision.

All inquiries regarding the appeal process should be addressed to the Office of the General Counsel at Residency.Appeal@ucop.edu.

Petitions for Classification to Resident Status

Nonresident students may apply for a change of classification to resident status once all the requirements have been met. Petitions for Classification to Resident Status from continuing UC Davis students classified as nonresident for tuition purposes in a prior quarter must be filed during the filing period and no later than the published deadline for the term they wish to classify as a Resident. Deadline exceptions will only be made in the cases of a documented medical illness, death in the immediate family, or an administrative error on the part of the university. Petition supporting documents will not be accepted after the 10th day of instruction unless an extension has been granted by a Residence Deputy.

Inquiries

Inquiries regarding residence requirements, determination, classification and recognized exceptions should be directed to Residence Deputy, Office of the University Registrar, One Shields Avenue, Davis, California 95616 or residedencom@ucdavis.edu.

Inquiries regarding the UC Residence Policy and Guidelines or appeals, should be directed to Office of the General Counsel at Residency.Appeal@ucop.edu.

RESIDENCE DEPUTIES ARE THE ONLY AUTHORIZED UNIVERSITY PERSONNEL TO PROVIDE INFORMATION REGARDING RESIDENCE REQUIREMENTS.
UNIVERSITY POLICY ON NONDISCRIMINATION, SEXUAL HARASSMENT/SEXUAL ASSAULT, DISABILITY ACCOMMODATIONS, STUDENT RECORDS AND PRIVACY

Nondiscrimination. The University of California, in accordance with applicable Federal and State law and University policy, does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy (including pregnancy, childbirth, and medical conditions related to pregnancy or childbirth), physical or mental disability, age, medical condition (cancer-related or genetic characteristics), ancestry, marital status, citizenship, sexual orientation, or service in the uniformed services (includes membership, application for membership, performance of service, application for service, or obligation for service in the uniformed services) status as a Vietnam-era veteran or special disabled veteran. The University also prohibits sexual harassment, including sexual assault. This nondiscrimination policy covers admission, access, and treatment in University programs and activities.

Discrimination, Harassment, or Arbitrary Treatment. If students have questions about student-related nondiscrimination policies or concerns about possible discrimination, harassment, or arbitrary treatment, they may contact Student Judicial Affairs for information and assistance 530-752-1128. Additional resources for students include the UC Davis Chief Compliance Officer (ADA and Title IX Officer) 530-752-9466 or the dean's office for their college. Graduate students may also contact the Office of Graduate Studies 530-752-0650 or the Graduate Students Association 530-752-6108. Students are encouraged to seek assistance as soon as possible, as time limits may apply to grievance processes.

Campus policies provide for a prompt and effective response to student complaints. This response may include early resolution procedures or, as appropriate, an administrative review or investigation. The student will be informed of the results of the review.

Sexual Harassment/Sexual Assault. Sexual harassment and sexual assault are prohibited by law and by university policy and will not be condoned. Campus policy (PPM Section 380-12 at http://manuals.ucdavis.edu/ppm/380/380-12.pdf) describes campus procedures for responding to reports of sexual harassment and sexual assault. Under this policy, sexual assault is considered an extreme form of sexual harassment. UC Davis' response to reports of sexual harassment and sexual assault may include interim actions, early resolution, and formal investigation procedures. If a complaint of sexual harassment or sexual assault is substantiated, the campus will take appropriate remedial action, including discipline. The Harassment and Discrimination Assistance and Prevention Program 530-752-9235 works with students to resolve complaints of sexual harassment, including sexual assault; and provides referrals to other campus resources. Students may report sexual harassment to deans, supervisors, managers, the Campus Sexual Harassment Officer and other campus officials, including Student Judicial Affairs, Student Housing, and the Chief Compliance Officer (Title IX Officer). With the exception of certain confidential resources, University officials receiving a report of sexual harassment or sexual assault must immediately consult with the Sexual Harassment Officer. Students may seek confidential advice and support from Counseling and Psychological Services 530-752-0871, the Campus Violence Prevention Program 530-752-3299, the Lesbian, Gay, Bi-Sexual, and Transgender, Queer, Intersex Asexual Resource Center 530-752-2452, and the Women's Resources and Research Center 530-752-3372. Consultation with these resources will not lead to an official report unless additional action is taken by the individual seeking advice.

Accommodations for Students with Disabilities. Students with documented disabilities may be entitled to reasonable accommodations to gain access to the University's academic programs. More information about academic accommodations can be obtained by contacting the Student Disability Center 530-752-3184 or http://sdc.ucdavis.edu. Questions or concerns about accommodations that are not related to academic programs should be directed to the UC Davis Compliance Director (ADA Officer) 530-752-9466. For complaints of alleged discrimination on the basis of disability under PPM Section 280-05, contact Student Judicial Affairs 530-752-1128 or the UC Davis Compliance Director.

Disclosures from Student Records. Students have the right to review records that relate to themselves in their capacity as students and to request corrections of records believed to be inaccurate. Most disclosures from student records to outside parties require prior consent from the student. Under the Family Educational Rights and Privacy Act of 1974 and University and campus policies, UC Davis students have the following rights:

A. To review their own student records within 45 days after the student submits a written request for access to the University Registrar or other department in possession of the records. That office will make arrangements for access and notify the student when and where the records may be reviewed. If the records requested are in a different office, the request will be redirected and the student notified. The campus maintains several types of student records in various locations. Questions about how to obtain records should be referred to Student Judicial Affairs 530-752-1128.

B. To request amendment of their own student records if they believe the records are inaccurate or misleading, students should submit a written request to the office that maintains the records specifying the portion of the record the student wants changed and why it is believed to be inaccurate or misleading. That office has 45 days to determine whether the record should be changed and notify the student of the decision. If a student wishes to contest this decision, the student should contact Student Judicial Affairs.

C. To restrict the disclosure of personally identifiable information contained in student records, except when law and policy permit disclosure without consent. Examples of circumstances in which the student's consent is not required for disclosure of student records include the following:

- Disclosure of “directory” or “public” information including the student's name; local and/or permanent address(es); email addresses and telephone number(s); dates of attendance; major field(s) of study [major, minor, concentration, specialization, and similar designations]; grade level; enrollment status [undergraduate/graduate, full time or
Social Security Numbers. A student's Social Security number is used to verify personal identity in the UC Davis Student Records System. Students are mandated to disclose their social security number to UC Davis. In compliance with state law, Social security numbers are confidential and are not used as student identifiers.

Release of Registration Material and Grades. In compliance with student privacy rights under federal and state law and University policy, the Office of the University Registrar may not release a student's grades, registration material, and/or identification card to anyone other than the student without specific written authorization signed by the student. The person to whom the information, material, or card is released must be designated by name and must present proof of identity. The signed authorization is kept in the “Record of Disclosures” in the student’s file.

CAMPUS SECURITY, CRIME AWARENESS, AND ALCOHOL AND DRUG ABUSE PREVENTION

In accordance with federal law, UC Davis annually provides students and employees with information regarding campus security, crime statistics, and alcohol and drug abuse prevention, pursuant to the Student Right to Know and Campus Security Act of 1990 and the Drug Free Schools Act of 1989. The UC Davis Police and Campus Administration make continual efforts to reduce crime on campus. A well-informed community is better served and safer.

For a copy of the complete UC Davis security and crime prevention report, including crime statistics, campus security measures and crime reporting procedures, applicants for admission or prospective employees may contact the UC Davis Campus Violence Prevention Office, located in the UC Davis Police Department, contact 530-752-3299, or mjspangler@ucdavis.edu.

ACCREDITATION

The University of California, Davis is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC), 985 Atlantic Avenue, Suite 100, Alameda, CA 94501 (510) 748-9001, an institutional accrediting body recognized by the Council for Higher Education and the U.S. Department of Education.

UC Davis is also accredited by the Accreditation Board for Engineering and Technology, Accreditation Council for Graduate Medical Education, Accreditation Review Commission on Education for the Physician Assistant (ARC-PA), American Association for Accreditation of Laboratory Animal Care, American Bar Association, American Chemical Society, American Dietetic Association, American Psychological Association, American Society of Crime Scene Laboratory Accreditation Directors Laboratory Accreditation Board (ASCLD/LAB); American Society of Landscape Architects, Association of American Law Schools, Association of American Medical Colleges, Association to Advance Collegiate Schools of Business; Commission on Collegiate Nursing Education; Commission on Teacher Credentialing, Computer Science Accreditation Commission, Council on Education and Public Health, the Council on Education of the American Veterinary Medical Association, Intersocietal Commission for the Accreditation of Vascular Laboratories (ICAVL), and the Liaison Committee on Medical Education.

Students interested in reviewing WASC accreditation documents may do so at http://wasc.ucdavis.edu. Those interested in reviewing profession-specific accreditation documents should contact the relevant Dean's office.
THE BOARD OF REGENTS

Governance of the University of California is entrusted to a corporation called the Board of Regents. Of the individuals composing the board, eighteen are California citizens appointed by the governor, and seven, including the president of the University and the governor of California, serve ex officio. A Student Regent is selected each year from a list of names submitted to the board by the Student Body Presidents’ Council.

The Regents delegate authority in academic matters to the Academic Senate of the faculty, which determines academic policy and supervises the instructional activities of the entire University. All of the permanent faculty, as well as key administrators, are members of the Senate.

The Regents delegate authority for the organization of the University to the president. Janet Napolitano is President and head of the Universitywide administration. Authority for the administration of each campus is delegated to a chancellor.

Retention is defined as enrollment at the third week census point of the fall term one year from initial fall term.
Graduation is defined as having received a degree from UC Davis (does not include students who transferred to another institution to complete their degree).

*Retention and graduation tracking limited to students enrolled full-time in their initial term of enrollment.

**Students excluded from these counts include those who are now deceased or participated in any of the following: Military Service, Foreign Service, Religious Mission.
