

# BUSINESS, BACHELOR OF SCIENCE

## Graduate School of Management

Accepting freshmen in Fall 2025 and transfer students in Fall 2027; current students are accepted beginning in Fall 2027.

Bachelor of Science in Business at the UC Davis Graduate School of Management (<https://gsm.ucdavis.edu/undergraduate/business-major/>)

The UC Davis Bachelor of Science in Business offers a core foundation anchored in math, statistics and economics while building competencies in fundamental areas of business. Business majors choose to specialize in one or two of the following areas:

- Accounting
- Finance
- Marketing & Business Analytics
- Management & Strategy

The major is a first-of-its-kind campus partnership between the Graduate School of Management, College of Letters & Science, and College of Agricultural & Environmental Sciences.

The Graduate School of Management awards the Bachelor of Science in Business.

The major requirements below are in addition to meeting University Degree Requirements (<https://catalog.ucdavis.edu/undergraduate-education/university-degree-requirements/>) & College Degree Requirements (<https://catalog.ucdavis.edu/undergraduate-education/college-degree-requirements/>); unless otherwise noted. The minimum number of units required for the Business Bachelor of Science is 108.

Students may not double major in the Business Major and Economics or Managerial Economics. In addition, students in the Business Major may not be granted minors offered by the Graduate School of Management.

Code	Title	Units
