

NATIVE AMERICAN ACADEMIC STUDENT SUCCESS CENTER (NAASSC)

The Native American Academic Student Success Center (NAASSC) (<https://naassc.ucdavis.edu/>) is a collaborative and multifaceted academic success program focused on increasing retention, persistence, and graduation rates of Native American students, in a culturally appropriate way. Following our theme, "Building connection and strengthening community," programming focuses on academic success and resilience through building a strong connection to students. We take a holistic approach of student success creating a community that not only survives but thrives at UC Davis.
