

STRATEGIC ASIAN AND PACIFIC ISLANDER RETENTION INITIATIVE (SAANDPIRI)

The Strategic Asian and Pacific Islander Retention Initiative (SAandPIRI) promotes academic excellence, connectedness, and empowering leadership for all students. SAandPIRI recognizes the diversity of the Asian and Pacific Islander (AandPI) diasporas at UC Davis in order to improve academic outcomes through culturally relevant programs and resources. With this in mind, the retention initiative supports the retention of historically marginalized AandPI students with a special focus on Filipinx, Southeast Asian, Native Hawaiian, and Pacific Islander populations. For more information, see Strategic Asian and Pacific Islander Retention Initiative (SAandPIRI) (<https://apiretention.ucdavis.edu/>) or contact apiretention@ucdavis.edu.
