

STRATEGIC ASIAN AND PACIFIC ISLANDER RETENTION INITIATIVE (SAANDPIRI)

The Strategic Asian and Pacific Islander Retention Initiative (SAandPIRI) (<https://apiretention.ucdavis.edu/>) is dedicated to the academic, personal, and professional success of all students who identify with the Asian and Pacific Islander (AandPI) diasporas. The SAandPIRI seeks to create culturally inclusive support networks for all students as they participate in orientation, enroll in their courses, persisting through each year, and graduate. The retention initiative offers programs and events geared towards academic excellence, connectedness, and empowering leaders. For more information, see Strategic Asian and Pacific Islander Retention Initiative (SAandPIRI) (<https://apiretention.ucdavis.edu/>) or contact apiretention@ucdavis.edu.
