The UC Davis School of Education is committed to developing informed citizens and advocates for equitable educational environments in a democratic society. Education courses are designed for undergraduate student from all majors.

A Minor in Education will help students:

• Develop an understanding of the issues and concerns of public and private education, especially with regard to the education of students with diverse learning needs.
• Complete prerequisites for the teaching credential program.
• Work towards a master's degree or doctoral degree in education or related field.
• Seek employment in policy, advocacy, or other education-related careers.

Courses

Students must complete 20 units the Minor program in Education. At least 12 units of the 20-unit minimum for the minor must be in Education. The remaining units for the minor may be in education or a related field as approved on the electives list. See Education, School of (https://catalog.ucdavis.edu/courses-subject-code/).

Minor Advisors

A designated faculty member in the School of Education may advise students and give final approval on the minor. For additional information contact Student Services (https://education.ucdavis.edu/student-services/).
