

FRENCH, MINOR

College of Letters & Science

The Minor Program

The minor program develops proficiency in all four language skills—speaking, listening, reading, and writing—and acquaints students with the intellectual and cultural contributions of the French-speaking world through the study of its literature, traditions, and institutions.

The Program

The department encourages its students to work closely with the academic advisor in designing a minor tailored to their needs and interests within the broad requirements prescribed by the program and to avail themselves of the guidance of an excellent teaching faculty.

Minor Advisor

Consult the department office.

Education Abroad

With the approval of a minor advisor, applicable courses taken abroad may be accepted in the minor programs.

Prerequisite Credit

Credit will not normally be given for a course if it is the prerequisite of a course already successfully completed. Exceptions can be made by the department chairperson only.
