

SEXUALITY STUDIES, MINOR

College of Letters & Science

The Minor

Sponsored by the Gender, Sexuality & Women's Studies Department (<https://catalog.ucdavis.edu/departments-programs-degrees/gender-sexuality-womens-studies/>), the interdisciplinary minor in Sexuality Studies offers students a unique opportunity to study the concept of sexuality—including sexual identities, desires, and practices—by examining its changing meanings and effects across different political, historical, and cultural landscapes. At UC Davis, Sexuality Studies pays particular attention to how gender, race, class, nation, empire, colonialism, and globalization shape popular understandings of sexuality, and how these understandings of sexuality in turn affect social, political, and economic relations of power.
