

# MASTER OF BUSINESS ADMINISTRATION ONLINE

---

## Graduate School of Management

Offering first-of-its-kind access to a nationally ranked University of California management school, MBA@UCDavis provides a top-quality, transformational experience—your opportunity to earn a UC Davis graduate business degree from anywhere in the world.

Through a close-knit online community and in-person residential experiences, we empower you to collaborate with a group of diverse, highly motivated, caring professionals who will challenge you to be your best.

We'll connect you with our global alumni network and corporate partners across Northern California. You'll benefit from the strong relationships we've built in Silicon Valley.

Our STEM-designated program reflects UC Davis' nationally recognized leadership in the STEM fields. Our rigorous curriculum emphasizes quantitative analysis and data-driven decision-making, which will prepare you for leadership roles in STEM fields.

Innovative application of data in business decision making has become a highly valued skill demanded by employers—especially here in Northern California and Silicon Valley.

The centerpiece of the MBA@UCDavis online experience is the live online classes where you will participate in spirited, face-to-face conversations with your peers and our world-class faculty through our state-of-the-art technology platform.

H. Rao Unnava, Ph.D., Dean  
Joseph Chen, Ph.D., Academic Director  
Michelle H. Yetman, Ph.D., Associate Dean  
James T. Kelly, M.B.A., Assistant Dean for Finance & Administration
