# Geographic Studies, Minor

College of Agricultural & Environmental Sciences

## Minor

The minor in Geographic Studies is defined by its concern with place. Geographers strive to answer spatial questions regarding the Earth’s surface; to describe and explain the character of regions; to ascertain the ways in which historical and contemporary humans have used and shaped the Earth’s surface; and to understand the interactions of physical, biotic, and human systems within our global environment. The minor is compatible with a variety of environmental majors in the college.

The minor is sponsored by the Department of Human Ecology, Landscape Architecture & Environmental Design Program (https://catalog.ucdavis.edu/departments-programs-degrees/human-ecology/landscape-architecture-bs/).

## Minor Advisor

S. E. Greco; see staff advisor Sharla Cheney (scheney@ucdavis.edu), 135 Hunt Hall.

### Human Geography

- CRD 140 Dynamics of Regional Development
- CRD 141 Organization of Economic Space
- CRD 142 Rural Change in the Industrialized World
- NUT 120BN Nutritional Geography
- AAS 100 Survey of Ethnicity in the US
- AAS 107C African Descent Communities & Culture in Asia
- AAS/DRA 155A African-American Dance & Culture in the United States, Brazil & the Caribbean
- AAS 172 Diaspora & New Black Identities
- AAS 176 The Politics of Resources
- AAS 180 Race & Ethnicity in Latin America
- AAS 182 Hip Hop Culture & Globalization
- or other upper division courses approved by the advisor

### Physical Geography

- ESM 120 Global Environmental Interactions
- ESM/PLS 144 Trees & Forests
- EVE 147 Biogeography
- WFC 110 Biology & Conservation of Wild Mammals
- WFC 111 Biology & Conservation of Wild Birds
- WFC 120 Biology & Conservation of Fishes
- WFC 156 Plant Geography
- WFC 157 Coastal Ecosystems
- or other upper division courses approved by the advisor

### Methods in Geography

- LDA/ABT 150 Introduction to Geographic Information Systems
