Graduate Study

The Department of Linguistics offers a program of study leading to M.A. and Ph.D. degrees.

The Ph.D. degree offers advanced training and research in linguistic theories and methods. Second language acquisition and development is a particular emphasis of the program. Detailed information on both the M.A. and the Ph.D. degrees can be obtained from the graduate advisors, from the chair of the Graduate Group or the departmental chairs.

Graduate Advisors

Santiago Barreda-Castanon (Linguistics), Vaidehi Ramanathan (Linguistics) Graduate

Program Coordinator

Stephanie Fallas
