FUNGAL BIOLOGY & ECOLOGY, MINOR

College of Agricultural & Environmental Sciences

The Fungal Biology & Ecology minor is being discontinued. Contact the minor advisor for current class availability.

The minor in Fungal Biology & Ecology is for students interested in a concentrated exposure to and knowledge of the fungi and allied organisms.

The minor is sponsored by the Plant Pathology Department (https://catalog.ucdavis.edu/departments-programs-degrees/plant-pathology/).

Minor Advisor
Bianca Radut (https://gdb.ucdavis.edu/people/bianca-radut/)
