

GLOBAL DISEASE BIOLOGY, MINOR

College of Agricultural & Environmental Sciences

Program Office

150 Hutchison Hall; 530-754-2281; gdb-advise@ucdavis.edu; Global Disease Biology (<http://gdb.ucdavis.edu/>)

Advisor: Grace Gomez (grlandon@ucdavis.edu)

The Minor

A minor in Global Disease Biology may complement a student's major program. Note that some courses have required prerequisites not included as part of the minor, and students should plan accordingly.

If you plan to declare the GDB minor, you **MUST** meet with our office to set up an academic plan ***before your last year*** at UC Davis. If you do not, you may not be able to declare GDB as a minor.

Our faculty includes members of the Departments of Plant Pathology from the College of Agricultural & Environmental Sciences, School of Veterinary Medicine, and School of Medicine.

Code	Title	Units
<i>Science & Society</i>		
SAS 013	Disease & Society	3
<i>Pathology, Microbiology & Immunology</i>		
PMI 129Y	One Health: Human, Animal & Environment Interfaces	3
<i>Medicine & Epidemiology</i>		
VME 158	Infectious Disease in Ecology & Conservation	3
<i>Global Disease Biology</i>		
GDB 101	Epidemiology	4
GDB 102	Disease Intervention & Policy	4
<i>Pathogen/Disease Course; choose one:</i>		3-4
ENT 153	Medical Entomology	
ENT 156	Biology of Parasitism	
GDB 103	Microbiome of People, Animals, & Plants	
MMG 162 or MIC 162 DISC	General Virology	
PLP 120	Introduction to Plant Pathology	
PMI 127	Medical Bacteria & Fungi	
PMI 128	Biology of Animal Viruses	
Total Units		20-21
