CONTEMPORARY LEADERSHIP, MINOR

College of Agricultural & Environmental Sciences

Minor

The Science & Society Program offers a minor in Contemporary Leadership, open to all undergraduate students regardless of major. The minor provides a broad overview of leadership theory and practice, and engages students in critical thinking, self-reflection, problem solving and multicultural education. Students should contact the minor advisor for course selection and plan approval.

Consult advisors often to insure timely enrollment in SAS 192 and SAS 190X only offered in spring quarter once a year.

Minor Advisor

The list of appropriate courses may change over time. To request an advising appointment, consult Elvira Galvan Hack (eghack@ucdavis.edu) in Science & Society (Plant Pathology).
