

FEE REFUNDS

UC Davis follows the University of California's systemwide refund procedures (<https://www.ucop.edu/operating-budget/fees-and-enrollments/other-fee-information/payment-refunds.html>). Any refund is based on the Schedule of Refunds (<https://registrar.ucdavis.edu/registration/leave/refunds/>). When considering a leave of absence or separating from the university, any refund is based upon the number of *calendar days* elapsed from when instruction begins for the term to when such request is submitted.
