The Educational Objectives for Students were adopted by the Academic Senate in April 2002. They articulate our aspirations for student learning; help to establish campus priorities and guide decision making related to student development; and guide academic programs in the review of how their classes and course requirements interact with the goals to demonstrate educational effectiveness.

Develop effective communication skills:

- Written, oral, interpersonal, group

Develop higher cognitive skills:

- Critical thinking, creativity, analytical ability

Cultivate the virtues:
