

# UNDERGRADUATE EDUCATION

UC Davis offers the Bachelor of Arts (A.B.) and Bachelor of Science (B.S.) degrees in over 100 major programs, as well as over 110 minors in a variety of disciplines; see Departments, Programs, & Degrees (<https://catalog.ucdavis.edu/departments-programs-degrees/#programsanddegreestext>). For complete program information; see Colleges of;

- University Degree Requirements (<https://catalog.ucdavis.edu/undergraduate-education/university-degree-requirements/>)
- College Major & Minor Information (<https://catalog.ucdavis.edu/academic-information-policies-regulations/college-major-minor-information/>)
- Agricultural & Environmental Sciences (<https://catalog.ucdavis.edu/undergraduate-education/agricultural-environmental-sciences/>)
- Biological Sciences (<https://catalog.ucdavis.edu/undergraduate-education/biological-sciences/>)
- Engineering (<https://catalog.ucdavis.edu/undergraduate-education/engineering/>)
- Letters & Science (<https://catalog.ucdavis.edu/undergraduate-education/letters-science/>)

## Bachelor's Degree Requirements

Students must satisfy four groups of requirements before they can become eligible for candidacy for the bachelor's degree:

- University Requirements (<https://catalog.ucdavis.edu/undergraduate-education/university-degree-requirements/>); applies to all colleges.
- General Education Requirements (<https://catalog.ucdavis.edu/undergraduate-education/university-degree-requirements/general-education-ge-requirements/>); applies to all colleges.
- College Requirements; **see links above for each college**; college requirements may be stricter than University Requirements for the same obligation.
- College Major & Minor Information (<https://catalog.ucdavis.edu/academic-information-policies-regulations/college-major-minor-information/>); find how to declare, change majors, etc., and additional information about minors.
- Major requirements as listed in Departments, Programs, & Degrees (<https://catalog.ucdavis.edu/departments-programs-degrees/>).

**Students are responsible for seeing that all of their degree requirements are fulfilled.**
