  education/letters-science/)

Bachelor’s Degree Requirements

Students must satisfy four groups of requirements before they can become eligible for candidacy for the bachelor’s degree:

- University Requirements (https://catalog.ucdavis.edu/undergraduate-
  education/university-degree-requirements/); applies to all colleges.
- General Education Requirements (https://catalog.ucdavis.edu/
  undergraduate-education/university-degree-requirements/general-
  education-ge-requirements/); applies to all colleges.
- College Requirements; see links above for each college; college
  requirements may be stricter than University Requirements for the
  same obligation.
- College Major & Minor Information (https://catalog.ucdavis.edu/
  academic-information-policies-regulations/college-major-minor-
  information/); find how to declare, change majors, etc., and additional
  information about minors.
- Major requirements as listed in Departments, Programs, & Degrees
  (https://catalog.ucdavis.edu/departments-programs-degrees/).

Students are responsible for seeing that all of their degree requirements are fulfilled.
