UNIT REQUIREMENTS & LIMITATIONS

**Minimum.** A minimum of 180 quarter units is required for graduation. These must be distributed according to the minimum requirements set forth by the faculty of your college.

**Unit Credit Limitations.** For certain courses, there may be limits established on the number of units countable towards the 180-unit minimum required for the degree. To avoid discovering just before graduation that a student is short on units, a student should regularly meet with their advisor to keep track of the number of units taken and credited.

**Internship Courses.** A maximum of 15 units of internship courses may be counted toward the 180-unit bachelor's degree requirement; however, some colleges have set a lower maximum. Unless the student has completed a minimum of 84 units, the student shall not receive University credit for an internship course numbered 192. (Davis Division Regulations 532 [http://academicsenate.ucdavis.edu/bylaws_and_regulations/regulations.cfm#532-])

**Special Study Courses.** Unless the student has completed a minimum of 84 units, the student shall not receive University credit for a Special Study courses course numbered 194H or 199. (Davis Division Regulations 535 [http://academicsenate.ucdavis.edu/bylaws_and_regulations/regulations.cfm#535-])
