

ACADEMIC ADVISING & SUPPORT SERVICES

Undergraduate Academic Advising

To help you get the most from your education, UC Davis offers many different types of academic advising. College advisors assist you in meeting degree requirements and taking maximum advantage of available university resources. A conference at least once a quarter with your faculty or staff advisor is especially desirable during your first year and during your final quarters preceding graduation.

For complete academic advising information, see the College of:

- Agricultural & Environmental Sciences (<http://www.caes.ucdavis.edu/students/advising/>)
